

## Large plot in Pedramala, Benissa

Price: 130000 EUR

Address: Benissa

### Description:

Located in the Benissa countryside between the coast and the village, with water and electricity and paved road up to the plot. It is completely southfacing and has some fabulous open mountain views. The vegetation is authentic with olive and almond trees of over 25 years old. It consists of various wide terraces and is only slightly sloped. Project is available to build.
